- (2) Contrary terms and conditions, in particular Terms and Conditions of Purchase of the customer, are not accepted and shall not apply. No objection is required on the part of BrasALPLA.
- (3) Any amendment to these conditions must be in writing. Submission of an order or acceptance of delivery shall constitute acceptance of these conditions in every case.

§ 2 Quotation, acceptance, order confirmation

- (1) BrasALPLA's quotations are subject to a time limit, the length of which shall be stated on the quotation.
- (2) BrasALPLA accepts orders by confirmation of the order in writing. § 3 Price

- (1) All prices are quoted net ex works in the currency of the country in which the supplying factory of BrasALPLA is located. Unless otherwise agreed, the prices valid on the day of invoicing shall apply.
- (2) If prices have been agreed and the costs on which these prices were based change, BrasALPLA is entitled to adjust the prices in accordance with the change in costs.
- (3) If delivery is carried out at a later date due to circumstances within the customer's control, BrasALPLA shall be entitled to offset the resulting higher costs with correspondingly higher prices. This shall not affect BrasALPLA's right to compensation for loss due to other causes.
- (4) The customer shall bear all taxes, customs duties and other charges which it has to pay upon receipt of the delivery, unless BrasALPLA has undertaken in writing to assume these charges.

§ 4 Place of performance, delivery

- (1) The place of performance is the respective supplying factory of BrasALPLA.
- (2) Dispatch and transport take place for the account and at the risk of the customer. As soon as delivery has been made at the place of performance, the risk passes to the customer. Should the customer not accept the delivery, it is in default of acceptance. Furthermore, BrasALPLA's delivery is deemed to have been made in this case and BrasALPLA is entitled to store the goods at the customer's expense.

The storage costs incurred shall be immediately refunded to BrasALPLA.

- (3) BrasALPLA is entitled to partial deliveries, subject to these conditions in their entirety.
- (4) Should BrasALPLA be unable to deliver on the agreed date due to unforeseen circumstances beyond its control (force majeure, suppliers' delivery delays, operating defects or interruptions through no fault of its own, transport delays, shortage of raw materials or energy through no fault of its own, etc.), BrasALPLA shall be entitled to deliver on the earliest possible date, provided the customer is able to accept delivery on this date. Otherwise, BrasALPLA shall be entitled to withdraw from the contract. In other cases of delayed delivery, BrasALPLA shall only be liable in the event of its own gross negligence and intent.
- (5) If the customer is not granted an import licence, this shall not discharge him from performance.

- (1) BrasALPLA guarantees that the goods conform to the agreed specifications. The customary tolerances shall apply.
- (2) The customer shall inspect the goods carefully on receipt and shall notify any defects in writing within ten days of handover by submitting a sample of the faulty goods; otherwise any claims, including claims for consequential loss, shall be excluded. If a defect is notified in due time, BrasALPLA shall, at its discretion, provide a remedy by improving, replacing or taking back the faulty goods and crediting the purchase price or reducing the price. The customer shall have no other rights.
- (3) The warranty period is 6 months and begins as soon as the goods are tendered for delivery to the customer at the place of performance.
- (4) The customer is not entitled to withhold payment against warranty or other claims, of whatever kind.
- (5) BrasALPLA is liable for damages only in the event of intent or qualified gross negligence. BrasALPLA shall not be liable for consequential loss, particularly lost profit and return costs. BrasALPLA's liability shall be limited to EUR 5 million, depending on the amount. BrasALPLA shall meet contractor's product liability claims (for damages) up to the sum of EUR 5 million.

- (2) By express agreement and as long as the customer discharges its payment and acceptance obligations, moulds shall be used only for the customer's orders.
- (3) The price for moulds includes the costs of a one-off sampling process, but not the costs of testing and tooling fixtures or the costs of modifications initiated by the customer.
- (4) BrasALPLA is obligated to replace moulds only if their initial design does not date back more than three years, the forms are required to fulfil a delivery

volume warranted to the customer, and the customer discharges its payment and acceptance obligations.

BrasALPLA retains all rights to such documents.

- (7) If the contract is also drawn up in English, the English text shall apply for the interpretation of the contract and its terms and conditions.
